MINTEY WINS SECOND STRAIGHT

Pat Mintey Jr. won his second straight NASCAR sportsman feature last Saturday at Saugus Speedway. Mintey's second win would move him to within one point of point leader Sean Woodside. In the NASCAR pro stock division, Scott Dinger swept both the oval and figure 8 features for his fifth and sixth wins of the year. Dinger's wins coupled with clutch problems all night for point leader Ed Horst propelled Dinger from 18 points behind Horst to the point lead by 10 over Horst.

Gary Sigman started on the pole and moved out to the lead at the start. The field would be under caution with just one lap completed for an incident in turn one that involved three cars including Woodside. The field would be back under caution four laps later in order to place Terry Custer to the rear of the field for making contact with John Higgins that caused Higgins to spin. After going back to green, Sigman continued to lead with Dennis Logue second and Tim Huddleston third. Following two more cautions on laps 14 and 18, Mintey would pass Huddleston for third on lap 24. A fifth yellow flag would come out three laps later, and under the caution, Logue was forced to pit with car problems moving Mintey to second behind Sigman. Following a red flag on lap 31 and a yellow flag on lap 32, the field would have a final eight lap dash to the finish. On lap 35, Sigman slid wide in turn two allowing Mintey and Huddleston to slip passed in first and second. The following lap would see Sigman slip once again in the same corner and this time it would cost him third as Higgins went by. Mintey led the remaining laps for the win with Huddleston second, Higgins third, Sigman fourth and Ray Hooper, Jr. fifth.
